Subject: Internship Offer Letter – Product Engineer

Dear Muhammad hamthan,

We are pleased to inform you that you have been selected for an internship position as a **Product Engineer** at **Gahranox Carvel Labs Technologies**. Your internship will span a period of **three months**, commencing on **June 1, 2025**, and concluding on **August 31, 2025**.

This internship offers you a dynamic opportunity to contribute across multiple domains, including:

- **Full-Stack Development**
- **Research and Development**
- **Business Development**

You will be working directly on **Carvel products**, which are centered around **industrial security automation**, with the flexibility to pursue areas based on your individual interests and strengths.

Internship Details:

- This is an **unpaid internship**. You are **not required to pay** any fees for participation.
- **Weekly sync-ups** will take place on **Saturdays and Sundays**, which are considered the official working days during this internship.
- If a weekend session is missed or leave is taken, the **internship period may be extended** to compensate for the missed time.
- **All communication** will be conducted via **WhatsApp**, and you will be connected to your **assigned lead** for guidance, coordination, and task allocation.

Internship Certificate Policy:

Please note that an **Internship Completion Certificate** will be awarded **only if the candidate successfully completes at least 70% of the assigned tasks** during the internship period. This ensures meaningful contribution and learning outcomes for both the intern and the organization.

We are excited to have you join our team and contribute to innovations in industrial security automation.

For any questions or clarifications, please contact your assigned lead or reach out to us at abdulfaheem@gahranoxcarvel.in.

INTERNSHIP EXTENSION CONTRACT

- **Extension Period:** August 9, 2025 – December 31, 2025
- **Last Active Date:** December 30, 2025
- **Mode:** Unpaid Internship

Conditional Profit Sharing (Jan–Feb 2026)

- 5% of net profit generated **from the intern's project** will be shared only if:
 - The work meets company expectations
 - Net profit is generated **during January–February 2026**
- If no profit is generated, no compensation will be provided.
- No work is expected from the intern after **December 30, 2025**.

Additional Terms:

- All intellectual property, code, research, and deliverables remain **company property**.
- Internship can be **terminated by either party at any time**.
